B-JET Centre begins 13th batch at NSU

Staff Correspondent

THE Career and Placement Center (CPC) of the North South University hosted the opening ceremony of the 13th batch of the Bangladesh Japan ICT Engineers Training Programme (B-JET) on Monday.

Shinnusuke Tasaka, programme manager of B-JET, introduced the 34 newly selected trainees who underwent a competitive selection process, said a press release.

B-JET equips trainees with Japanese language proficiency, cultural insights, study techniques, business etiquette, and technical knowledge.
