

**Memorandum of Understanding (MOU)
By and Between**

***Center for Nanotechnology, Coppin State University, Baltimore,
Maryland, USA
and
North South University (NSU), Dhaka, Bangladesh***

This agreement is made and entered into by and between the Centers for Nanotechnology, Coppin State University (CSU) located in Baltimore, Maryland, United States of America, and North South University (NSU), an institution for higher education, located in Dhaka, Bangladesh. The parties hereto agree as follows:

Purpose:

1) Recognizing the importance of mutual collaboration and the contributions to society made by institutions of higher education, both parties share a desire to develop mutually strengthening and enriching international educational and research experiences for both faculty and students.

2) The primary purpose of this agreement is to provide a general basis within which specific cooperative activities of an academic and cultural nature may be implemented involving faculty and/or students from CSU and NSU.

3) Faculty and researchers in various disciplines will be encouraged to develop contacts and propose collaborative projects. Each project proposal will be considered on its merit and on availability of funds. The two institutions will seek internal and external sources for support of programs and exchanges, which may be developed as a result of this agreement.

4) As specific projects in education or research are developed, each institution will require a written Memorandum of Understanding (MOU) which will set forth the terms and conditions of the project(s). These Memoranda or Contracts will be approved and signed by appropriate administrators at each institution.

General Provisions:

1. All research and other collaborative activities conducted pursuant to this agreement shall be conducted in accordance with the laws and regulations appropriate to each institution
2. This agreement shall take effect when executed by both parties and shall be for a term of five (5) years. The agreement shall be automatically renewed for successive five (5) year terms unless terminated as provided herein. The agreement may be terminated by either party upon no less than ninety (90) days written notice to the other party. This agreement may be modified by written agreement of both parties at any time. Nothing within this agreement shall create any financial obligation or cause any hardship to either party.
3. Modification to this agreement shall be initiated through the Director of Center for Nanotechnology at CSU, and Dr. Mohammad Hossain Shariare, Department of Pharmaceutical Sciences at NSU.

IN WITNESS WHEREOF, the parties hereto have executed two copies of this instrument, each of which shall be considered an original.
