THE North South University Law and Mooting Society, in collaboration with the Ministry of Youth and Sports, hosted the grand finale of the National Policy Competition 2025 at the NSU in Dhaka on Thursday.

The event was organised as part of the Festival of Youth 2025, commemorating the first anniversary of the July uprising, said a press release.

This flagship competition was designed to engage university students in policy, development and leadership discussions, providing a crucial platform for young minds across higher educational institutions to contribute to the national policymaking and decision-making.

The programme began with the national anthem, followed by welcome remarks from Professor Md Rizwanul Islam, professor of law and dean of school of humanities and social sciences.

The morning session featured a series of policy paper presentations by the finalist teams, who demonstrated innovation, strong research skills and practical solutions before an esteemed panel of judges.
