

North South University's architecture department organises a panel discussion titled 'Architecture: In the Era of Advanced Technology 1.0' on Monday. — Press release

## NSU holds discussion on modern architecture

### Staff Correspondent

THE Department of Architecture at North South University organised a panel discussion titled 'Architecture: In the Era of Advanced Technology 1.0' on Monday.

The event brought together academics, researchers, and industry professionals to critically examine the future of architecture in the age of Artificial Intelligence and advanced technologies.

The panel included Professor Mohammed Mahbubur Rahman, associate professor Shahriar Iqbal Raj, associate professor Shafin Rahman, Golam Mohammad Mohiuddin, lecturer AKM Saleh Ahmed Anik, and was moderated by Professor Mujtaba Ahsan, Department of Archi-

ecture, NSU.

The discussion opened with the guiding question posed by Professor Mujtaba Ahsan— How is architecture going to embrace AI in the near future?
