

NSU celebrates 'National Library Day 2025'

North South University (NSU) Library celebrated 'National Library Day 2025' with a grand event on campus, reinforcing its commitment to academic excellence and knowledge sharing.

This year's theme, “সমৃদ্ধ হোক গ্রন্থাগার, এই আমাদের অঙ্গীকার” (Enrich the Library—Our Commitment), inspired a series of engaging activities aimed at fostering research, collaboration, and student participation. The event was inaugurated by the Vice-Chancellor of NSU, accompanied by the Treasurer, Pro-Vice-Chancellor (IC), Deans of the four Schools, and senior academic and administrative officials, according to a media release.

Their presence, along with a large gathering of students, faculty members, and library professionals, made the celebration truly remarkable. To mark the occasion, NSU Library organized various special initiatives, including research support workshops, on-the-spot library user services, a celebratory procession and photo sessions, and a waiver of fines for overdue book returns.

The event also featured campus-wide banners, social media campaigns, and the distribution of exclusive "I Love NSU Library" badges to promote library engagement.
