

AI, IoT, Robotics Day at NSU observed

City Desk

North South University (NSU) celebrated a landmark day of innovation and discovery as it hosted the AI, IoT, and Robotics Day 2025, at the NSU Campus. Organised by the School of Engineering and Physical Sciences (SEPS), the event brought together faculty, researchers, students, and industry leaders to explore how emerging technologies are shaping the nation's future, says a press release.

The opening ceremony began with a welcome address by Professor Dr. Shazzad Hosain, Dean of SEPS, followed by

remarks from Professor Dr. Abdur Rob Khan, Pro Vice-Chancellor of NSU, who inaugurated the event. The keynote session was delivered by Mr. Manjur Mahmud, President of Datasoft Systems, who spoke on "Building the Future Workforce: An AI-First Curriculum Model for University Industry Sandboxes in Smart Bangladesh."
