**Associate Professor & Chair**

Department of Electrical & Computer Engineering  
North South University

# Acknowledgement

First of all, we, Mirza Sabbir Ahmed and Khandakar Faizul Haque Onim, Maruf Ahmed Khan, would like to thank Allah for giving us the ability to fulfill our duties and responsibilities by completing this Project report. We would also like to thank our supervisor, **Dr. Sifat Momen** for his undivided attention and excellent supervision. We are extremely grateful for his patience with us and for the suggestions he made. Furthermore, we would like to thank the ECE department of North South University for the opportunity they provided us with, by ensuring we got everything we needed for the project. Not to mention our families, who supported us throughout the entire project, we are thankful.
