NSU hosts admission tests for spring-2024 semester

Staff Correspondent

NORTH South University on Saturday hosted the admissions test for spring-2024 semester on its sprawling campus in Bashundhara.

The event saw approximately 6,000 eager students vying for admission into various departments, supported by a dedicated team of around 800 faculty and administrative staff who ensured a smooth and efficient admission process, said a press release.

The day commenced with the examinations starting at 10:00am and concluding at 1:00pm.

Esteemed members of the NSU administration, including professor M Ismail Hossain from Economics department, Ahmed Tazmeen, registrar, prof Hasan Mahmud Reza, school of health and life sciences dean, prof Javed Bari, school of engineering and physical sciences dean, prof Abdur Rob Khan, school of humanities and social sciences dean, prof KMA Salam, admissions office director (undergrad), and Gour Gobinda Goswami, student affairs office director, were seen visiting various examination rooms to ensure the integrity of the process.
